# ANNUAL GENERAL MEETING

For any new members that have not yet attended our Annual General Meeting, we do encourage you to attend. This is our one real working meeting we have each year. We review our finances, finalize donations, make any necessary changes to our constitution and recap our year and events. This is also when we have officer elections. We like to get input from our members on what direction the society should be heading and if there is anything that can be done to improve or events or general membership. The meeting starts at 5pm at the events center at Nicholson's. After the meeting we'll have dinner available in the same location.

**We do encourage you attend both the meeting and dinner as the dinners are what allows us to use the meeting space at no charge. As Backstage is separate from Nicholson's, meals must be reserved in advance.** It is also a good time to connect with other members. So please come out to support the society, remember to wear something tartan as the first order of business is to collect 'tartan fines' from those not wearing tartan to the meeting. (the fine is \$1) We do want to hear from our membership and help grow and improve the society.

### Nicholson's Backstage Event Center

Second Floor

625 Walnut St. Cincinnati, OH 45202

Downtown across from the Aronoff Center
