

Hello All,

We are so honored that the Caledonian Society has chosen Nicholson's for such a highly esteemed event. We wanted to run through what St. Andrews Day will look like at Nicholson's amidst the pandemic. We can not wait to host all the Caledonian society! This year we will be providing 2 options for meals and entertainment. The Caledonian Society will be live streaming the event between 6pm-8pm.

Option 1:

Dine in service at Nicholson's. This event will begin at 6pm November 28, 2020. 6pm-7pm will be cocktail hour. 7pm-8pm dinner will be served. 8pm entertainment will begin, highland dancers, bagpipers, and drums! Last call for the bar will be at 10:00pm and St. Andrew's Day conclusion will be at 11:00pm, to follow the Ohio state guidelines.

Option 2:

Carry out service will also be offered. We know that in the current climate dining out may seem like a daunting task. We will be offering a virtual option to enjoy all the festivities of St. Andrew's Day, from the comfort of your own home. Carry out service will continue from 5:45pm-6:45pm. Upon your reservation, you will be given a time slot in which you will be able to pick up your traditional Scottish meal!
